Year of Report: 2007-08

Part A

The plan of action chalked out by the **IQAC** at the beginning of the academic year towards quality enhancement and the outcome achieved at the end of the year.

Meeting of the **IQAC** held on 24.08.2007 resolved to initiate necessary and proper measures to implement the following in the college:

- 1) Reporting the vacant posts and creation of new posts. (Teaching and non-teaching)
- 2) Add on Courses.
- 3) Additional courses for the college. (PG and UG)
- 4) To promote open source software in the college.
- 5) Computerisation of College Library.
- 6) Inter-disciplinary programmes.
- 7) Development Programmes for Teaching and Non-teaching Staff
- 8) Generation of internal resources.
- 9) Seminars and Workshops.
- 10) Office Renovation.
- 11) Extension of Internet Broadband connectivity.
- 12) Information Officer- Right to Information
- 13) Publication Division.
- 14) Repairing and maintenance of college buildings.
- 15) Forming cluster departments
- 16) Construction of College canteen.

Outcome Achieved:

1. The vacant posts in the teaching departments and non-teaching category in the college were reported in time and were responded favourably by the Govt. All the vacant posts (teaching) in the Commerce department were filled. The various posts, in library and office were also filled.
2. An amount of Rs70000 was allocated by UGC to PG department of Economics to start Add on course in Computer Application and Data Analysis.
- 3 It was proposed to start new courses in the college viz. M Sc in Mathematics, MA (Arabic) and B A (Communicative English) & B.Sc (Computer Science). The proposal to start new courses in the college (UG and PG) was discussed on the floor of the House (Legislative Assembly) and we expect favourable response from the Govt. The final approval about the same and also details regarding the courses sanctioned are awaited.
4. A phased switchover to open source software in the college was proposed in the wake of Govt.'s initiatives to promote free software Linux. As a first step, the INFLIBNET lab which features the internet services of the college was partially changed to Linux platform. The various development tools and applications of Linux viz. Multimedia, Graphics ,Accounting Software, Databases, Technical Documentation, to name a few, are installed and configured in the college.
5. The partially computerized library moved a step further towards total computerization using Linux based software-KOHA.
6. A proposal for interdisciplinary programmes was mooted in the wake of various specialized careers that require such (interdisciplinary) an approach. The emphasis would be to provide exposure in such areas and equip the students with skills necessary for such studies. The different departments of the college have taken initiatives in this regard. The forty hour Course in '**Communicative Arabic**', NET/SLET and coaching for Kerala Public service Commission Examination by the Department of Arabic are the outcome of this objective followed by the '**Table Talk**' programme initiated by the Department of Economics and '**Lecture Series**' by PG Departments of Economics and

Commerce.

7. Our teachers attended various National and State-level workshops and seminars as part of faculty development programme. The teachers of various departments also engaged in activities related to the design of various courses, the content and duration of such courses etc. The non-teaching staff of the college also attended various development programmes organized by Institute of Management in Government at Kozhikode and Ernakulam. Many of our teachers have registered for research in their areas of interests and specialization. The details of these programmes are mentioned in part B.

8. It was proposed to evolve a mechanism wherein the resourcefulness of the faculties of the college can be utilized to generate resources for the college. To further this objective, various software as mentioned in Para 3, were installed and configured in the departments. Also, the students were trained in this regard.

The exercise to design identity cards for the staff was successfully carried out using the above softwares and we appreciate our students' contribution in this endeavour. We have computerised the remuneration forms and various schedules of the gazetted officers of the state and we have great pride in announcing that our teachers withdraw their remunerations/arrears from the Treasury (Govt. of Kerala) using these forms. We envisage to improvise on these efforts so as to find greater acceptance from all concerned persons statewide. This may provide for some revenues for the college.

9. An amount of Rs.80000/-was approved and sanctioned by the Directorate of Collegiate Education, Govt. of Kerala to conduct seminar. In pursuance of the same, the PG Department of Commerce organized a Two - Day seminar on 'The Emerging Trends in Stress Management'. Seminars were also organized by other departments with the sponsorship from private agencies/ institutions. The details are mentioned in part B.

10. The college office looks very refreshing and spacious after the renovation work carried out this year. The tiled floorings, cash counter for payment of fee, a cabin for the college superintendent and a computer cabin for the typist are

in the offing to give a new look to the college office.

11. The broadband internet connectivity has been extended with an addition of 16 more computers so as to provide mass scale browsing facility to the students' community.

12. As per the Govt. directive, an Information Officer is appointed who shall provide for the information's sought under RTI (Right to information Act). Shri. P.K. Aboobacker, Lecturer in Urdu is appointed as the Information Officer and Smt. K P Bhavani, Office Superintendent is the Assistant Officer.

13. It was proposed to have a Publication division of the college fostering creativity exclusively to the College community viz students and staff. The creative abilities of our staff received an upbeat with the release of a few books this year by the Publication Division. A book on 'Malayanma' has been edited by Shri.Sanjaykumar.S, Lecturer in Malayalam and published by the Publication division of the College. Another one is in the track and field which will be in limelight before the end of the academic year.

14. Minor repair works and maintenance of the college building was approved and sanctioned by the Public works Dept.(PWD), Kerala. The same work is in the half-way.

An amount of Rs.10 lakhs has been sanctioned for the college from MP (Member of Parliament) Fund.
