GOVERNMENT COLLEGE MALAPPURAM POST GRADUATE DEPARTMENT OF COMMERCE

MUNDUPARAMBA PO, MALAPPURAM, KERALA PIN 676509

Three Day National Workshop on **RESEARCH ARTICLE WRITING IN SOCIAL SCIENCES** 23, 24 & 25 November 2017

Organised by
Post Graduate Department of Commerce,
Government College Malappuram

Sponsored by
Directorate of Collegiate Education
Government of Kerala

About the College

Government College Malappuram came into existence in June 1972 as a Junior College in response to pressing demand of the public for an institution providing University education to the younger generation of Malappuram and its suburbs.

The College was upgraded as a degree college during the academic year 1973-74. At present the college has ten departments with four having PG Courses and one having research centre.

About the Department

PG department Commerce was started in the year 1972. The department offers B.Com and M.Com in finance stream. The department is well equipped with audio visual aids, backed up with good faculty input. The department conducts various workshops and seminars every year in diverse areas.

About the Workshop

In the present higher education scenario writing a research article and get it published in a peer reviewed journal is highly appreciable and inevitable. Research scholars and young academicians in social science are facing lot of problems while writing research article due to lack of awareness in topic selection, methodology, statistical tools, writing manuals/styles and softwares for data analysis and prevention of plagiarism. This workshop is a humble effort to address these issues.

Dr. G Krishnakumar
Principal

Dr. Vinesh. OP
Head of the Department

Jayaprakasan P.P
Workshop co-ordinator
(Mob. 9745455499)

Organising Committee

Jahfarali. TH, Hamsa.E, Sunitha. K, Shajithra.OP, Sabidha. K,
